From Liverpool Street

Turn left out of Liverpool Street station onto Bishopsgate. Walk along Bishopsgate and turn right along Middlesex Street. Keep left as the street turns into Widegate Street and continue straight along as it turns into Artillery Passage (not shown on map – it's a narrow old-fashioned alleyway). Then turn right onto Crispin Street, turn left soon after onto Whites Row and then turn right into Tenter Ground.

From Aldgate East

Turn right onto Whitechapel High Street from the station, then right onto Tyne Street. Keep left as Tyne Street turns into Old Castle Street, then turn left on Wentworth St. Turn right up Bell Lane. At Brune Street, turn right and then left again to reach Tenter Ground.
